

We're here to help you recover from Hurricane Sandy.

Replacement Eyewear Available

With the recent storm in your area, everyone here at VSP® Vision Care hopes you and your loved ones are safe and well.

Do you need replacement glasses? VSP can help.

VSP Patients

Do you have VSP insurance, but have already used it and no longer have coverage?

Call VSP at 800.877.7195 to have your coverage reinstated or ask your VSP provider to call us.

Non-VSP Patients

Contact your nearest American Red Cross chapter or shelter to request a gift certificate from VSP for free eyecare services (comprehensive eye exam, single vision, lined-bifocal or lined-tri-focal lenses, Altair frames up to \$115).

To qualify for a certificate, the patient must have:

- a social security number
- lost their glasses during a disaster
- no vision insurance or no available benefits through existing vision insurance

Best Wishes,

The VSP Mobile Eyes® Team
