# 2021 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Neptune Township FD No. 2

**FISCAL YEAR: January 1, 2021 to December 31, 2021**

*Answer all questions below using the space provided. Do not attach answers as a separate document.*

1. When is the Fire District's annual election? (February and/or November)  
If November, was the resolution submitted to the Division?

February

2. Complete a brief statement on the 2021 proposed Annual Budget and make comparison to the 2020 adopted budget.

The 2021 Fire District Budget proposes a less than 1% increase in the amount of total appropriations versus 2020. The budget contains changes to salary and benefits appropriations to reflect a change in organizational structure due to a retiring full-time Firefighter being replaced with a full-time Fire Official and per diem Firefighters. The budget includes payment of the District's full accumulated sick leave liability which was raised in prior years. The 2021 budget includes a mandated increase in the annual pension appropriations.

3. **Explain any variances over +/-10% for each line item.** Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The line item for Elections has increased by 67% due to a mailing charge from the County Clerk to cover the cost of sending mail-in ballots as required by state law. The overall salary line item has decreased by 14% due to a new hire replacing a retiring employee at a lower salary. The benefits line has increased by 59% due to the cost of health benefits and social security contributions for the new employee whereas the retiring employee waived health benefits and was in a title that was exempt from social security payments. The per diem firefighter line item is new in this budget thereby reflecting a 100% increase.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The 2021 proposed budget contains a 3% decrease in the Amount to be Raised by Taxation versus 2020 resulting in a decrease in the tax rate of 6/10 of one cent (.063 versus .069). This will be the lowest District tax rate in over 20 years. The budget proposes an increase of \$34,000 in the use of unrestricted fund balance versus 2020 in anticipation of payment of the District's accumulated sick leave liability.
